

Facebook. Youtube. Twitter. LinkedIn. Instagram. Social media is prevalent in our culture today and is shaping the values, beliefs, and priorities of the next generation.

What is the church to do? Run and hide? No! Today's technology can have a positive impact on the future of our churches and ministries. Learn the secrets to social media and ministry on

Monday January 9, 2017

at **Redwood Glen**

(100 Wright Drive, Loma Mar, CA 94021)

from **9:00 am to 4:00 pm**

Join us for a day-long seminar with **Justin Wise**, author of *Social Church: A Theology of Digital Communication* and founder of Think Digital, a company that partners with companies to help bring a message to its intended audience and achieve measurable results.

Costs: \$50 for the day (lunch included). Bring two members from your church tech team and a third comes free. Call for further group discounts.

This event is co-sponsored by Redwood Glen and the Ministers Council of the Greater Bay Area. For questions or for more info, email larry@redwoodglen.com or www.redwoodglen.com.
