Welcome letter to our friends

It is an honor to have you consider volunteering this summer. We, as a staff, are truly grateful for you wishing to minister to our campers.

As you go through the process of filling out the application form and spreading reference forms, please prayerfully consider Redwood Glen's staff value:

"Reflecting Christ through Serving Others"

You have a tremendous opportunity before you: the opportunity to serve. You are encouraged to read and reflect upon I Corinthians 3:21-4:16, a section that can be titled "The Work of the Apostles". This passage describes the role of a counselor perfectly. There is a good chance that you might miss a meal, be thought of as a fool, or have your patience tried. You will definitely work very hard and feel like a parent to your campers. In all this, your service will be a reflection of Christ. We want you to be able to say, "Follow me, even as I follow Christ" (I Corinthians 11:1).

Is God calling you? Is this something you look forward to – reflecting Christ through serving your campers? If it is, we want you.

Begin to pray: Now is the time to start praying about your time here. We have been praying for you (and will continue to), that God may prepare your heart, give you strength, and infuse you with wisdom and patience. You are not alone. We are here for you and will do whatever we can to ensure you have a successful week of ministering. Come prepared to watch and participate in the work that God will be doing through you.

Complete the "Becoming a Counselor at Redwood Glen" Check List: The check list provided on the back, helps explain the process of applying. It is important to review, as it will help you know what we need and by when – even if you are a returning counselor.

We look forward to ministering alongside you this summer!

May God Bless.
Yours Truly in Christ,
The Redwood Glen Staff
