"...may what Gordon has pointed to in this book be of great help to all who now suffer and cry out to God, 'How long, O LORD?'"

TRAGEDY TRANSFORMED

How Job's
Recovery Can
Provide Hope
for Yours

GORDON S. GROSE

Gordon S. Grose, Even before serving as pastor of three congregations, and as a pastoral counselor in clinics, Gordon felt passionate about Job's story. He came to love the book through graduate study at Brandeis University, Waltham, MA. Gordon brings together his years of theological and counseling training, pastoral experience, and his own family's struggle with chronic illness to lead us in three sessions on "Tragedy Transformed".

Gordon holds a PhD from Boston University, membership in the American Association of Christian Counselors and the Fellow level (retired) in the American Association of Pastoral Counselors.
