### 3... 2... 1... JUMP!

What does it mean to be all in?

God asks us to jump heart, soul, mind, and body first into having a relationship with him. Commitment can be a scary thing in our world today. We like to keep one foot out the door in most relationships to try and protect ourselves from the unknown.

Am I good enough? What if I don't make the team? I don't want to people to see me upset. Pride, self-doubt, fear, overthinking. All of these things hold us back from reaching the full potential that God has planned us.

In Luke 10:27, He answered, "'Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind'; and, 'Love your neighbor as yourself.'"

At camp this year, we seek to help our campers see their worth the way that God does. We hope to challenge them and help them grow in their relationship with God.
